THAI BAAN

Thai street food

Thai meals are best enjoyed together. Typically, it's sharing style. We recommend 2-3 small plates or 1 small and 1 big plate per person to share so you can enjoy many dishes in one meal like Thais do. Please be aware of spiciness level as most of Thai dishes contain peppercorn & chilli!! But if you prefer 'THAI SPICY', please let our staffs know. Also, Don't forget to order some 'Thai jasmine rice' as it goes very well with Thai food.
